## Quality, safety and security features

### Strong Hinges

Hinges made from specially designed composite materials eliminate the harsh sounds of metal-on-metal contact.

### Finger Proof Safety

Our sectional doors feature a curved finger proof joint for added safety.

### Fully Enclosed Nylon Coated Bearing Rollers

Give smooth quiet operation.

# DECOWOOD®

The DecoWood® garage door is ideal for coastal properties and bushfire prone areas. It is made from BlueScope® steel, which is an incredibly versatile material, preferred by builders and designers alike for its strength, durability, flexibility, lightness and corrosion-resistance.

## DecoWood® features include:

- Durable marine grade powder coating for aluminium and coated steel
- Low-maintenance, no rotting
- Completely impervious to termites
- No warping, splitting or shrinking
- Environmentally friendly
- Stylish and durable
- Twelve great colours at an affordable price
- Textured finish only; Slimline and Flatline profiles only

## Twelve great colours to choose from:

Please note: The colours shown are a guide only. The limitations of printing processes make extremely accurate matches impossible. We strongly recommend comparing your choice with actual samples. As the DecoWood® finishes are designed to look like timber, variations in colour may be evident. Additionally, Steel-Line reserves the right to vary or delete colours without notice.

# SECTIONAL DOOR OPENERS

All of our garage door openers have been engineered to the highest standard to ensure optimum performance.

## Key Standard Features

- 2 x handsets
- 1 x wireless wall mounted remote
- Courtesy light
- Safety reverse system
- Soft start, soft stop

## Optional Accessories

### 'Photo Eye' Technology

Allows the garage door to automatically reverse when its sensory light beam is broken by an obstruction.

### Wireless Keypad

Weatherproof digital keypad with cover which can be programmed with 4 digit pin code, for maximum security. Includes back-light when used in poor lighting situations.

### Extra Remote Handset & Wireless Wall Mounted Remote

Can be installed near an internal access door to your garage giving you greater convenience to open and close your garage door.

### Emergency Key Release

Used in case of malfunction or power failure, especially useful if there is no other access to the garage.
